## Open Monday, Friday and Saturdays 10am until 4pm

**Greenpath Ventures** helps people of all abilities to connect with the healing power of nature. Based at tranquil Yarra Farm in Colchester, our focus is on providing outdoor opportunities to grow fresh organic produce, to have fun and to become a part of our kind community.

From a morning session tending the crops, to a whole day of tree planting or simply sharing in a meal cooked in our allotment cabin, you will be welcome whatever your ability.

We are passionate about including people who may be struggling with their mental or physical health, or who may feel isolated. We offer unique opportunities to get involved according to your own interests and abilities.

Come along and join us, all are welcome!
